Approximate Assembly Time

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- Due to the size of this product we recommend that it is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- This product should only be used on firm, level ground.
- Keep small parts out of reach of children.
- Make sure the legs remain in contact with the ground.
- Tools not included.

WARNINGS

- DO NOT use power tools to construct this product.
- DO NOT tighten screws until fully assembled.
- DO NOT over tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT sit or stand on the product.
- It is essential that this unit is fixed to the wall with the brackets provided for safety reasons. NB wall fixings are not included. Please source suitable fixings for your wall type. If in doubt please consult a qualified tradesperson.
- WARNING : Always ensure the area to be drilled is free from hidden electrical wires, water or gas pipes.

CARE INFORMATION

- Never use scourers, abrasives or chemical cleaners.
- To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer. The fittings pack contains small items that should be kept away from small children.

NOTE : Wall fixing are not supplied with this product as different wall materials require different types of fixing devices (such as Rawl plugs on brick work). You must use fixing devices suitable for the type of wall you intend to mount this product to. Please ensure that the head of any screw used has a diameter greater than the diameter of the mounting hole on the product and that the fixing is safe and secure before use.

The brackets and screws which to fix the strap on to the furniture are provided only.

Complete Assembly

Your *KENDAL 2 DOOR 1 DRAWER WARDROBE* is now completely assembled.

Periodically check to ensure that the components are in their proper position, free from damage. Also, make sure the connectors are tight and secure.

Keep instructions for future reference
